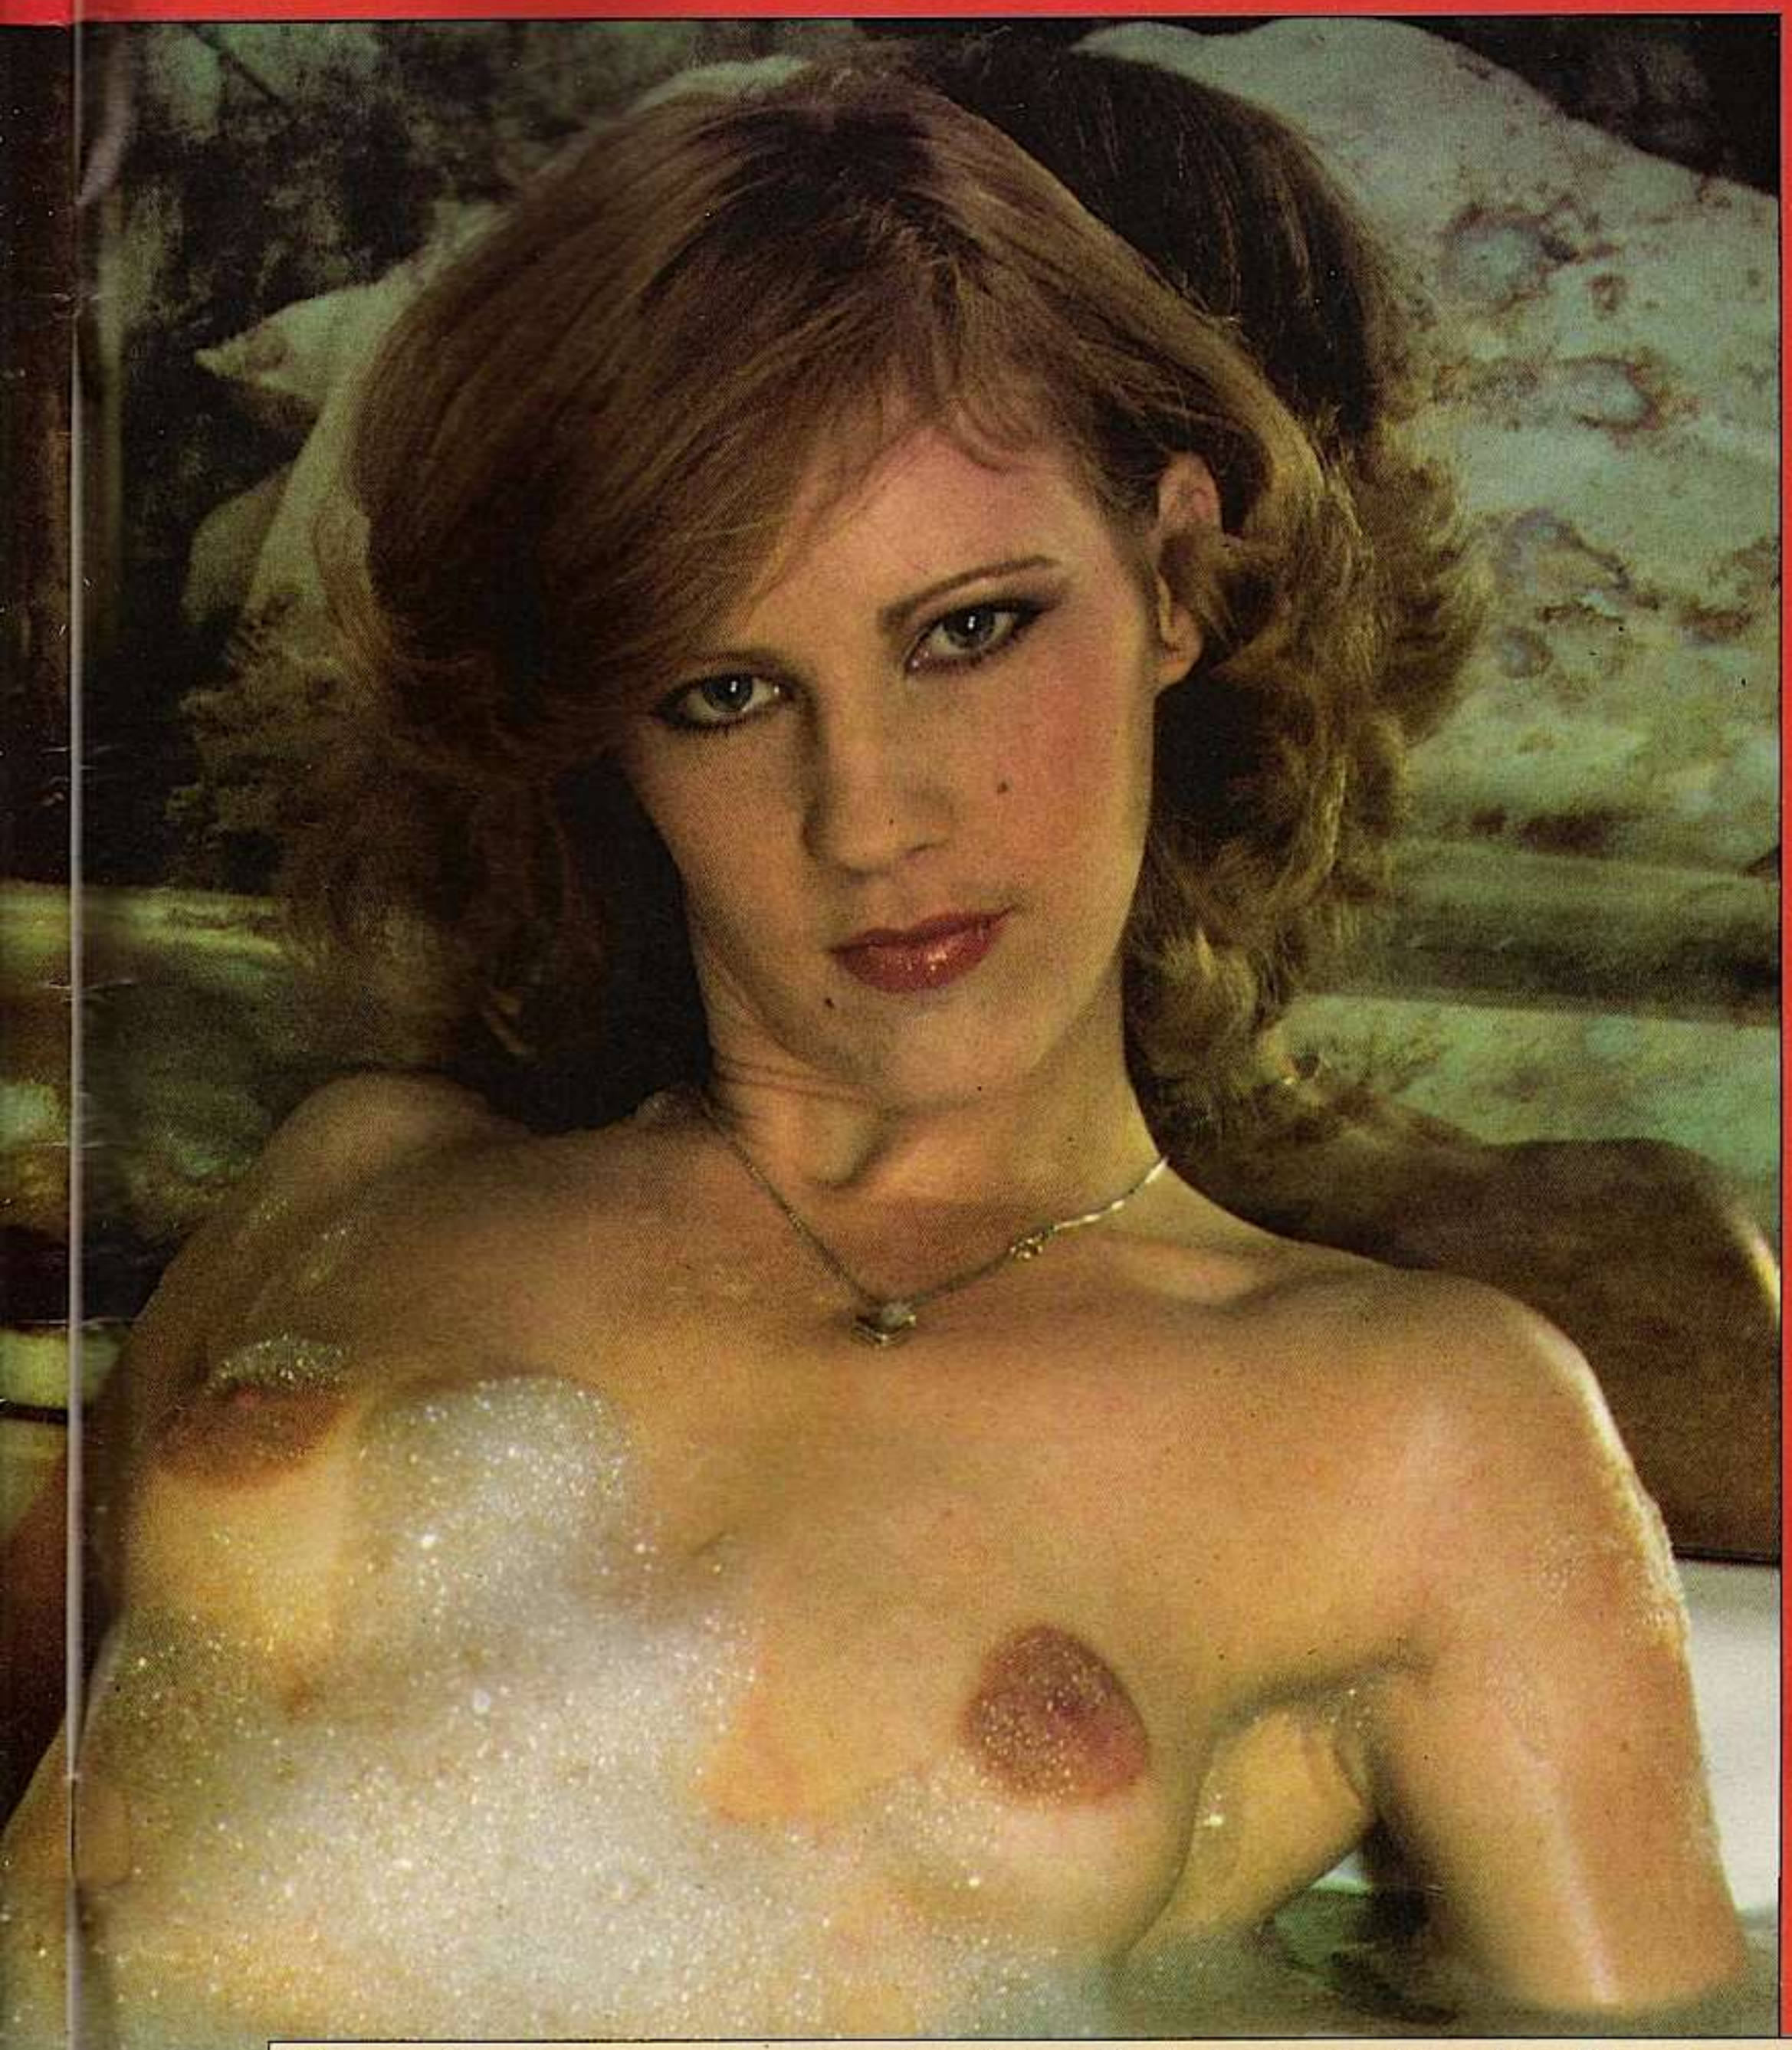
R MODEL COMPETITION



Things also happen when you step *into* a Badedas bath. Like Ann Dreyfuss, our honey coloured contestant who kicks off the new year with all the hot bubbles and soft soap in the neighbourhood. Her husband had told us she was shy, that she was uncertain of her body. Well, very soon the warm water made a fool out of *that* mood.

Does modelling for Knave magazine appeal to you? Did you like the idea but lack the information? Well, stop wondering, because we're re-opening the Amateur Model Competition, due to popular demand in this area. Now don't allow the word "amateur" or "beginner" disturb you in the least. Everybody has to start somewhere. We're certain that amongst all you Knave readers there exists plenty of girls with natural talent.

MODESTY

It's understandable if you're a little shy of going straight ahead. Some of you may feel that you're not glamorous enough. Apart from the fact that this is probably not true in the first place, in the second place we have a make-up artist and stylist present on set to ensure that you look very enticing before a picture has been taken.

THE PRIZES

All we require is that you send us three pictures of yourself, and then it's all up to us. If we like what we see (and it's likely), we'll invite you for an expense-paid photographic test session. Then, if you're successful, you'll probably spend a whole day modelling for this photo feature, receive £150 (in addition to your expenses). The person who took your picture will receive £25 for their initiative.

ENTRY REQUIREMENTS

Fill in your details on the coupon and return it to us accompanied by a minimum of three pictures of yourself, one of which should feature you in the nude. (Ideally, we'd prefer 35mm or 2¼" colour transparencies, but can accept colour or black-and-white prints). We will return all photographs if they arrive complete with stamped addressed envelope.

AMATEUR MODEL COMPETITION ENTRY FORM & MODEL RELEASE

We dispense with any claim to inspection or approval of the finished product or the advertising copy or the use to which it may be applied. We also waive and release any claim that we might have in the event of any blurring, distortion, alteration, optical illusion or use in composite form that may occur or be produced in relation to the said photograph or in any processing towards the completion of the finished product.

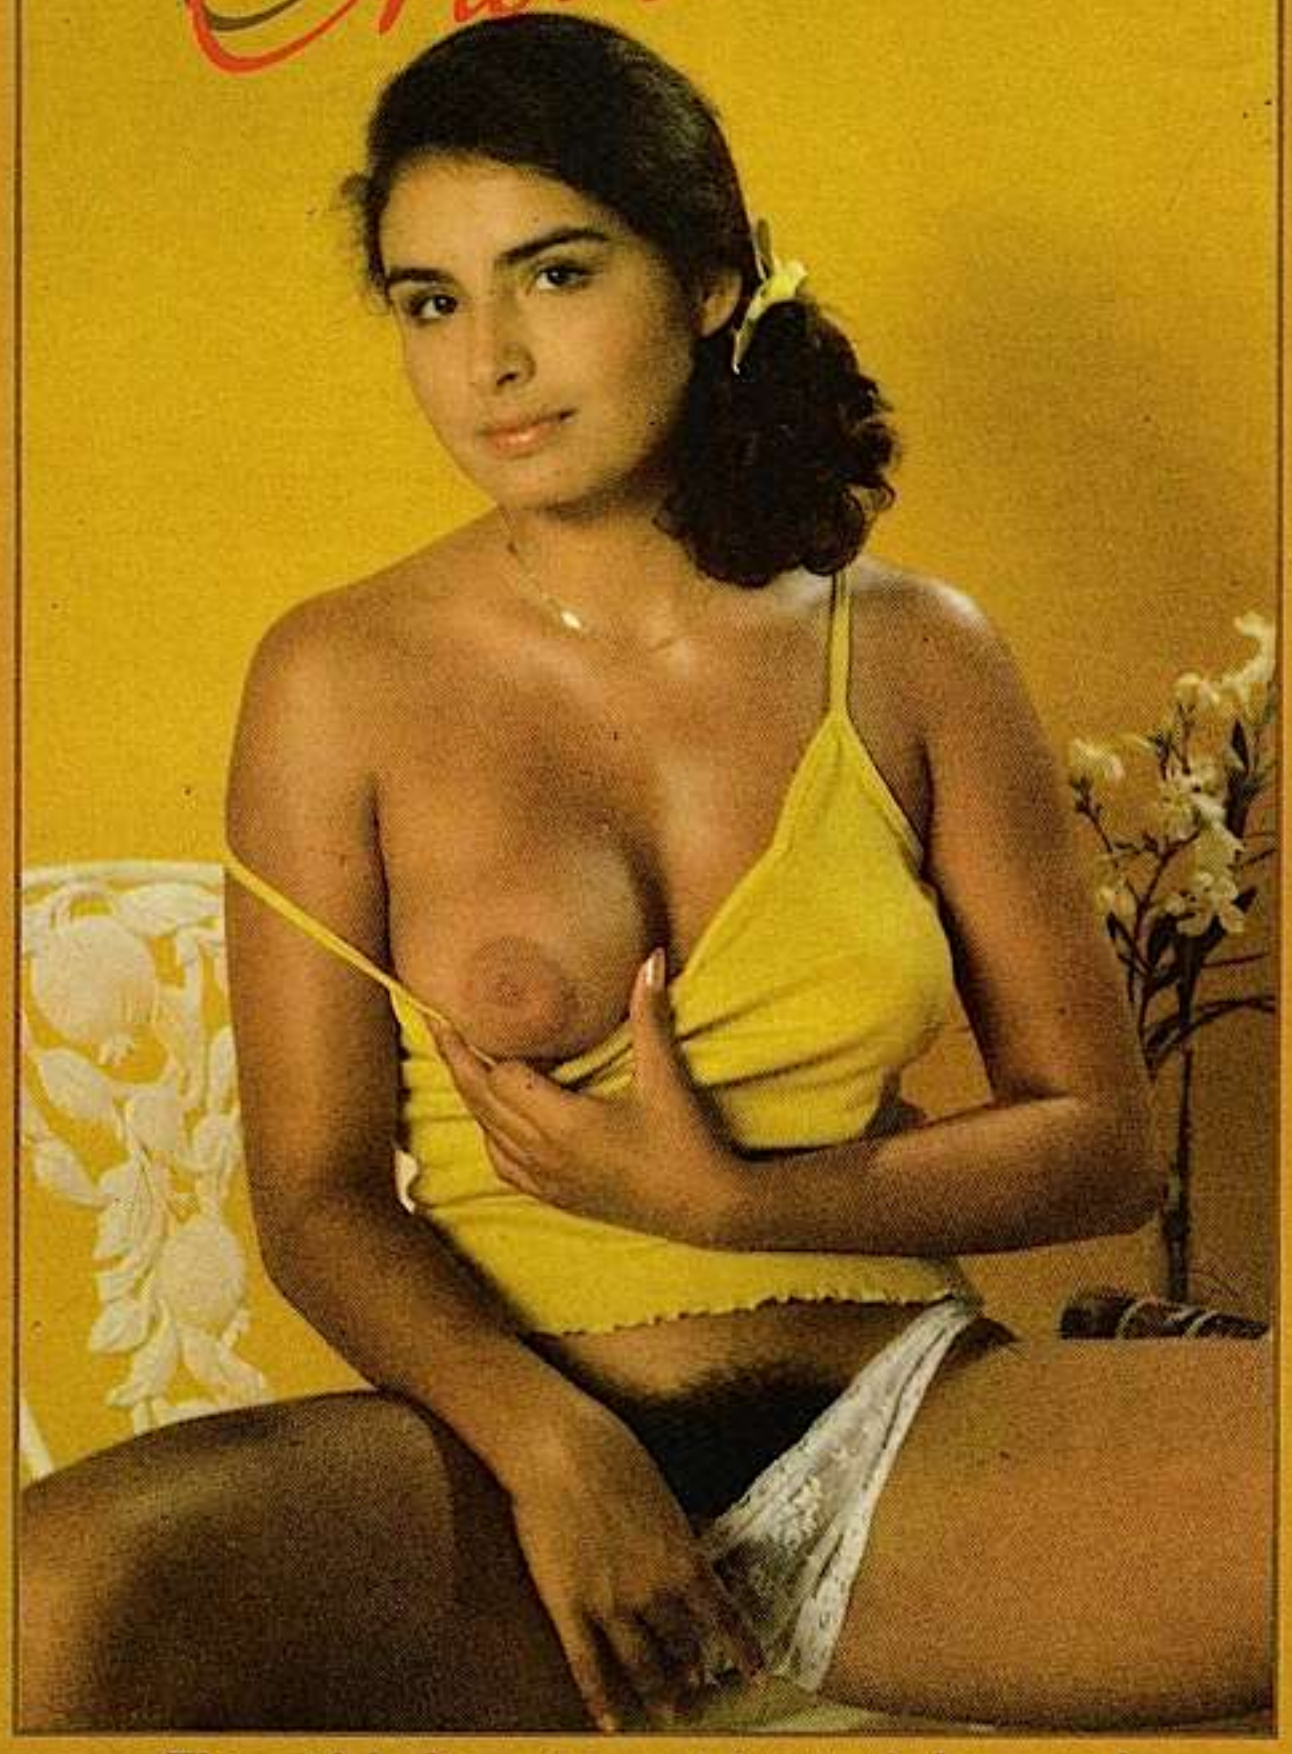
Charlotte

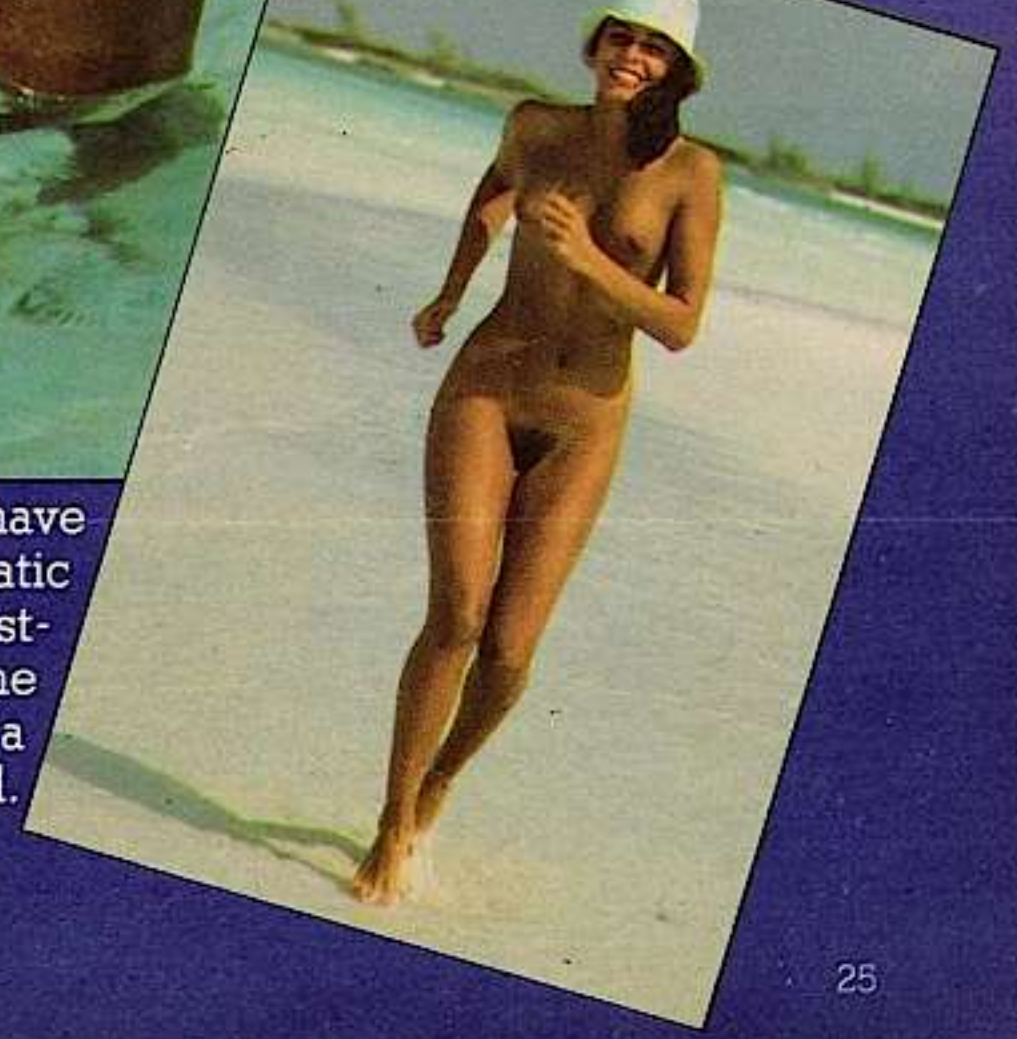


This girl, believe it or not, is utterly besotted by TUC leader, Len Murray. Listen to this: "He's so calm in a crisis while everyone else is dancing on valium bottles, hurling abuse at the aristocracy or quoting Trotsky ... oh, and the way his hair falls over his forehead, it gives me the goose-bumps..."

Photographed by R.B. Kane

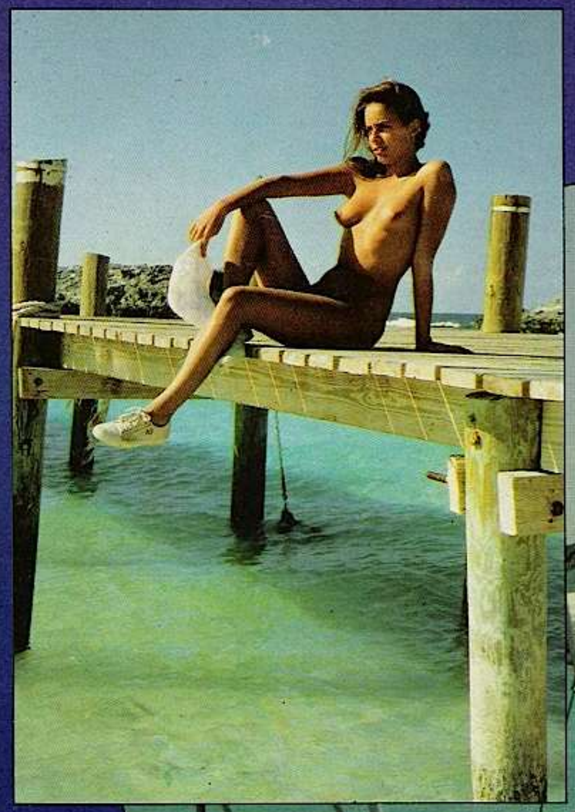
Isn't there anyone else? (Like me, for instance). "Absolutely not. What do you think I am, *promiscuous*?" she snaps. No, but I was hoping you might be, you hot cock-teasing bitch. Why the hell have you agreed to pose in the nude like this? Caressing nipples, spreading those legs so obligingly, oozing moral corruption from every cubic centimetre of skin?

Hannah



People always grin so inanely on holiday, have you ever noticed that? The cheap instamatic smile beams out at you from Maltese coastlines, Beachy Head or Benidorm like the phrase 'ALBERT WUZ HERE' scribbled on a toilet wall in the Tottenham Court Road.

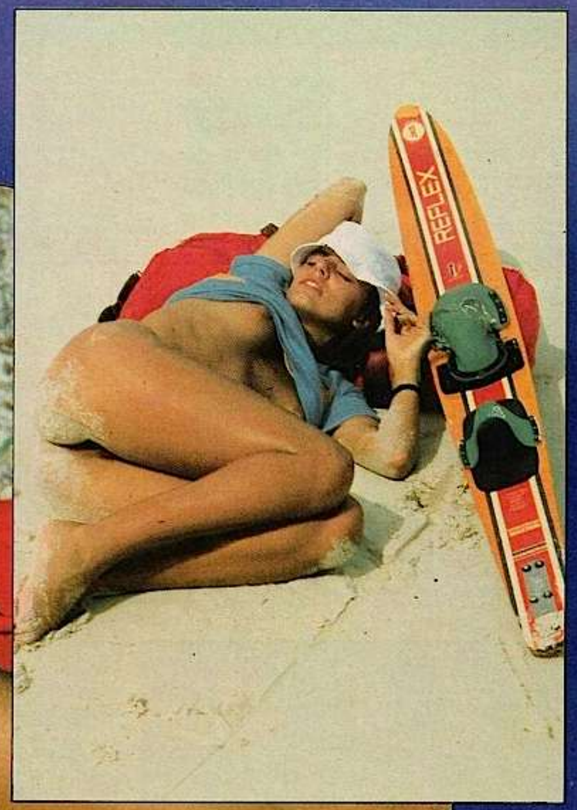
Photographed by Michel Moreau



Hannah gets it all in return for 'favours'. Her body is available to men with cheque books. All they need to produce is a pen (making sure there's ink in it).

Oh, this urge to get-away-from-it-all, to lie naked on a jetty, rub your clitoris in hot sand, go jogging when the tide's out, or wait for handsome beachcombers.

Well, Hannah's in the middle of an exciting sojourn off the coast of Spain probably. She's got tits the colour of coconut and thigh syrup like dry Martinis.



She's a secretary bird too. Her typing and dictation speeds are perhaps best compared with a seagull who's just consumed a quart of anti-freeze.

Ordinarily, I would have this to say to a girl who arrives for a nude modelling session, demanding to be snapped against black, porcelain tiles: "You'll lie back against a fucking cactus if I say the word." However, black gloves and the red scarf made me pause. "I'll let you have your way if I have mine." She agreed instantly.

Simone

What happens when a girl like Simone lands on your lap without so much as a handshake or a gale force perfume alert? I'll tell you. The pulse rate is bat-out-of-hell, body temperature spills all the mercury. And sometimes you just die of gratitude.

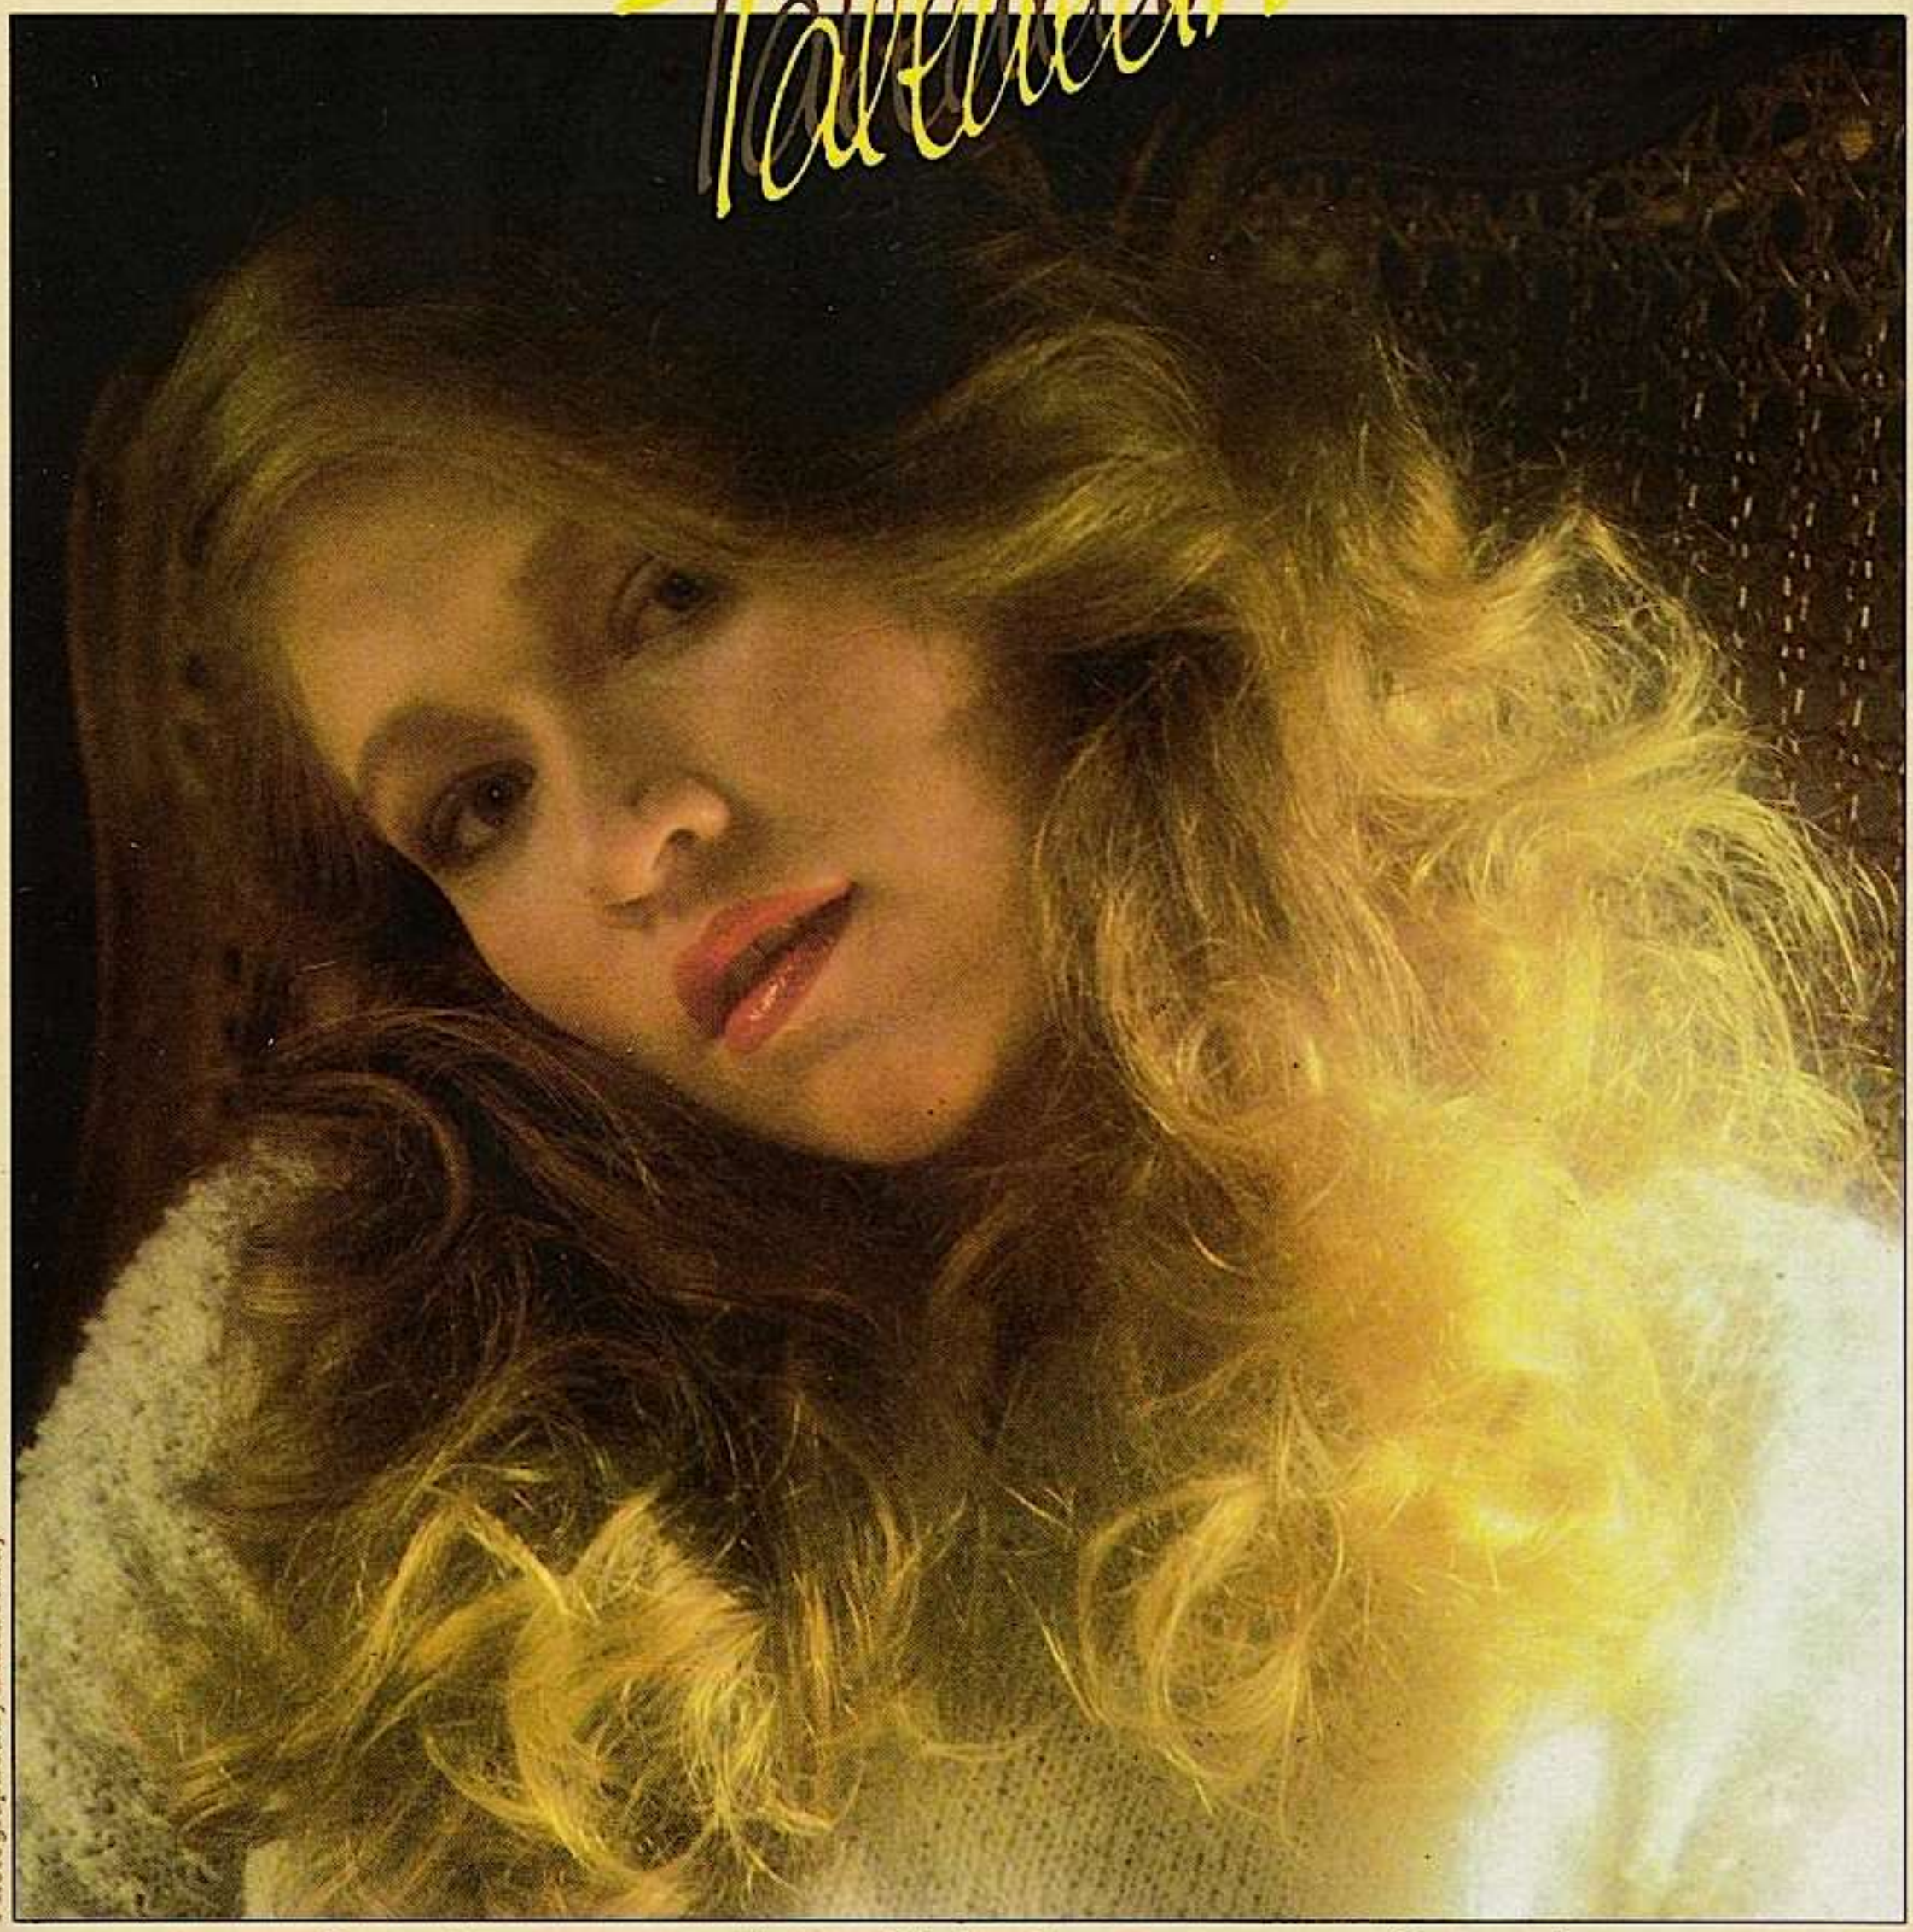
Tallulah



Photographed by Diana Hardy

Dreamboats arrive in all sizes. Under the circumstances, please take your pick, tickle her aspidistra, ride a cock horse to Banbury Cross (and any other cliche that occurs). Tallulah is exceptional. In fact, you're all very lucky indeed that she's agreed to these five pages of visual pampering, this snap-crackle-pop of lens caps and flash-bulbs soaking up her entire stock of vaginal calories. The work is, of course, demanding—particularly if the model is a fragile lady with sensitive skin (prone to shivers) and almost unnaturally moist between the legs. How does she explain it?

The wonderful Willa returns to tempt us once again with her penetrating 'come up and see my etchings sometime' stare. She doesn't waste words, this lady: "I don't see any harm in letting a man know that I want him – it's often much more fun that way than

waiting for him to make the first move. If I want to screw a man I make sure he gets the message – if he doesn't like the way I tell him then he probably isn't worth the trouble anyway!" It looks like she hasn't left her bed since last issue...
